WELCOME

We are happy you have chosen to plan a special event within the City of Fremont. From community based festivals to parades and street fairs, the City of Fremont is proud to approve permits for a number of exciting special events each year.

The Fremont Municipal Code (3-7100--3-7112) provides the framework and guidance for the issuance of Special Event Permits within the City of Fremont. In general, any organized activity impacting city services or involving the use of, or having impact on, public property, public facilities, sidewalks, medians, or street areas requires a permit.

The following pages include the City of Fremont's **Special Events Permit Application** and accompanying instructions developed to guide you through the process.

Timing

A completed application may be filed as early as six months before the event, but **must be received no later than 30 days (60 days if alcohol involved) before the actual event date if the event requires two or less city services.**

Examples of these events include: block parties, tents/canopies, ABC (Alcoholic Beverage Control) one day alcohol service permits. To inquire if your event requires two or less city services, please contact Nancy Tacchella at (510) 494-4473 or send email: ntacchella@fremont.gov

For those events where three or more city services are utilized, a completed application may be filed as early as six months before the event, but **must be received no later than 90 days (120 days if alcohol involved) before the actual event date.** Examples of these events include: Festival of the Arts, Niles Antique Fair, Fourth of July, etc. To inquire if your event requires three or more city services, please contact Geneva Bosques at (510) 790-6957 or send e-mail: gbosques@fremont.gov

After you complete the application, sign the form and return it to the City of Fremont's Development Service Center, on the first floor, located at 39550 Liberty Street, Fremont, CA 94538, Attention: Nancy Tacchella. Please be sure to include your application fee with the application (**Checks can be made payable to City of Fremont**)

Permit Process

The permit application process begins when you submit a completed Special Event Permit Application. *Keep in mind that acceptance of your application should in no way be construed as final approval or confirmation of your request.*

Upon receipt of your application the City assigns a coordinator to help guide you through the permit process. This coordinator distributes copies of your application to all City

departments affected by your application for review. During the review process you will be notified if your event requires additional information, permits, or licenses. You will be allowed time to provide us with all pending documents. Delays in providing these items often delay our ability to finish our review and issue a Special Event Permit for your event. You may be contacted individually by these departments if they have specific questions or concerns about your event. Depending on the impact on City services, size and type of event, a group meeting with all affected departments, your coordinator, and you may be scheduled to clarify questions and concerns.

Other Permits

While we have tried to make this process a "one-stop" process, it is your responsibility to contact federal, state, or county agencies for other relevant permits. For food permits please contact Alameda County Environmental Health Services at (510) 567-6708.

Events in Parks

If you plan to hold your event in a City park, the coordinator will assist you in contacting the appropriate division or facility manager within the City of Fremont's Park and Recreation Services Department. Special rules and restrictions unique to each site or facility may apply. For further information regarding events in parks, please contact Chuck Canada at (510) 494-4328.

Fees

The City strives to keep fees as low as possible by charging only for the cost of processing the application and City services. In addition to the cost of inspections and other City services (i.e. Police and Fire), other fees such as a building permit fee will apply for tents, stages, etc. Depending on the type of event, respective fees may vary. All costs of providing City services associated with a special event will require a deposit if the cost of City services exceeds \$5,000.

Estimated cost of city Service	Percentage of Estimated Costs Deposit
\$5,000 – 10,000	30%
\$10,001 – 15,000	40%
\$15,001 – 20,000	50%
\$20,001 or more	60%

You will receive an estimate after submitting your application

Effective January 1, 2004, the following application fees will apply:

- **Low Impact Events: Application fee \$20**
- **High Impact Events: Application fee \$100**

On behalf of the City of Fremont, we thank you for contributing to the spirit and vitality of our City through the staging of your event. **Best wishes for a successful event!**
